

# Breathe

*Captain Festus McBoyle*

*Woke up this morning and I got out of bed  
Tripped on a pussycat and bumped my head  
Ooooooh..... Breathe*

*Did my dishes and I combed my hair  
No clean socks or underwear  
Ooooooh..... Breathe*

*It's alright (x3)*

*I grabbed my book 'Green eggs and Ham'  
Broke six eggs in a frying pan  
Ooooooh..... Breathe*

*I stubbed my toe now I'm feeling the blues  
I wore my jandals when I should have worn shoes  
Oooooooh..... Breathe*

*It's alright (x3)*

*Because the Owl and the Pussycat they both went to sea  
Both were very different but both they could see  
You've gotta take a big deep breath  
You've just gotta Breathe*

*And then I had a great idea, a ride upon me bike  
But both me blimmin' tyres were flat  
Is nothing ever right  
Ooooooh..... Breathe*

*So you're sitting there all miserable, then you spots ya Mum or Dad  
Then one of them they cuddles you  
Like the best you've ever had  
And say Ooooooh..... Breathe*

*Because the Owl and the Pussycat they both went to sea  
Both were very different but both they could see  
You've gotta take a big deep breath  
You've just gotta Breathe.*

*Yeah everybody's different, no ones the same its true  
But when your head feels cloudy from the things in your day here's what  
you do.*

*You take one deep breath, it's hard to explain.  
Makes you feel better like a dance in the rain.  
One deep breath better do it again, just breathe. (Repeat x2)*

*Just breathe (x4)*
