

# Leaking

*Captain Festus McBoyle*

## *Intro*

*Sometimes life seems like just a series of curve balls  
Quite frankly, that's the way it's been of late  
It seems like everything in my world is leaking  
And quite frankly, there's nothing better, when your English  
Than having a 'Blimmin' good whinge and getting it out of your system  
And that is exactly, what I intend to do, with you, right now - Here we go!*

## *Chorus*

*I've got something I'd like to share with you  
Seems my whole world is leaking  
They say a problem shared is a problem halved  
Don't know if that's true  
I guess I'll have to fix it soon*

## *Verse 1*

*I gets up Monday and my Roof is leaking  
Water coming down all over the walls, all over the carpets  
The floors are swelling, hell of a mess I tell you  
But my mate Bob is a, well ironically, he's a builder  
Comes over, has a look and he says -  
"Yeah, it's your iron mate, got to fix that, might have to replace it"  
And he says -*

*"You know what we'll do"*

*I guess we'll have to fix that  
I guess we'll have to fix that  
I guess we'll have to fix that soon*

*(Repeat chorus once)*

### *Verse 2*

*Gets up Tuesday and you wouldn't believe it,  
the washing machine starts leaking  
Water all over the floor and there's big piles of washing,  
the wife will not be happy  
Fortunately, I've got a mate called Stan who's  
pretty good with things like washing machines  
Comes over, has a look and he says-  
"Yeah, your seals have gone mate, you know what we'll do"*

*I guess we'll have to fix that soon*

### *Verse 3*

*Course then Wednesday I get's up, has a look at  
the car and there's oil all over the driveway  
You wouldn't believe it. Anyway, gets me mate old Fred over,  
he has a look and he says-  
"Yeah, it's your master cylinder, we'll have to fix that mate,  
not cheap but you know, it's got to be done and that oil on the driveway.  
You know what we'll have to do"*

*I guess we'll have to fix that soon*

#### Verse 4

Anyway, gets to Thursday yeah, has a look outside  
and rains been getting in through the sunroof on the car  
Honestly all over the carpets, all round the wiring  
and I love my car so I'm going to have to fix that  
Fortunately, I've got a friend called Cyril. He comes over and he's  
a bit of a whizz with windows, has a quick look and he says to me he says-

I guess we'll have to fix that  
I guess we'll have to fix that  
I guess we'll have to fix that soon

#### Verse 5

Anyway, it's Friday today and things are looking pretty good you know  
Bit of washing, ironing, got to change the beds and stuff but yeah,  
I can't complain - ooh hang on, hang on, other phones going, ooh hang  
on, 2 seconds caller
