

An ornate, symmetrical decorative border with intricate scrollwork and floral motifs, framing the entire page.

Meat - The Vegetarian song

Captain Festus McBoyle

*Meat, meat, glorious meat
I'd like to nibble the toes on your feet
I would nibble your ears
And nibble your nose
Meat for an ice cream so everyone knows
That I'd meat you for dinner
Meat you for tea
Meat in the evening
I'd meat you for free.*
