

Seaweed Song

Captain Festus McBoyle

*Oh I like Seaweed that much is true
But how much Seaweed is too much for you
Everybody's different no one's ever the same
But when you're on the Seaweed mate well everything's a game*

*You fill up your Boots
You fill up your Socks
Stay off the Seaweed if your life's on the rocks
Cos everybody's different no one's ever the same
But if it makes ya happy then you do it again*

*Oh You fill up your boots
You fill up your socks
Stay off the Seaweed if your life's on the rocks
Cos everybody's different no one's ever the same
But if it makes you happy then you do it again*

*You do it again, you do it again
You do, do, do, do, do Oh!
You do it again, you do it again
You do, do, do, do, do You do it again!*
