

The Christmas Song

Captain Festus McBoyle

*Pirates don't like Christmas time cos Pirates don't like giving
Pirates like to take your stuff that's how we makes our living
And Pirates don't like Christmas bells or Fairies on a Tree
But I have to say I likes the food cos it's better than the food at Sea
And Pirates don't like Reindeer unless they're cooked and dried
And Pirates don't like Santa Claus but I have to say we tried
And Pirates don't like Christmas pudding, something we can't stand
That's why we lives our life at Sea and not a life on land*

CHORUS

*Christmas time, Christmas time
Hang your Knickers on the Line
Giving gifts to everyone, oh Christmas time it ain't much fun*

*Cos we all get fat, we all get Spotty
Drink too much and we all go Potty
Christmas Pudding by the Ton
Oh Christmas Time it ain't much Fun*

CHORUS

*Oh Ha Ha Ha, Hee Hee Hee
I don't like Christmas why should we
Be giving gifts to everyone, Oh Christmas time it ain't much fun*

*Christmas time, Christmas time
Hang your Knickers on the Line
Giving gifts to everyone, oh Christmas time it ain't much fun*

*Cos we all get fat, we all get Spotty
Drink too much and we all go Potty
Christmas Pudding by the Ton
Oh Christmas Time it ain't much Fun*
