

BABY RAT

Captain Festus McBoyle

*Now Im a Happy Chappy
A full dirty Nappy
Wee rolling down to me feet
Looking real cool with my fake power tool
And I'm shaking me bum to the beat*

*Yeah I should be nappin'
Just feels like rappin'
ridin' low with my Bro's in the pram
I said wot's up Teddy
Me Dummy's nearly ready
Getting rinsed with my garden Hose man*

*Make some noise
Girls and Boys
Grab ya Toys.*

*Getting kinda funky with my little cheeky monkey
Got food all over my Bib
Low down and dirty
Me parents only 30
And I'm hanging tough in my Crib*

*Bubba needs some drinking
Thats what I'm thinking
Till me eyes roll back in me head*

*Gonna be a pest till I finds me that Breast
Yo Mamma – let me sleep in your bed*

*Grab ya Toys
Make some Noise*

*Babys gets moodie
When tryin' to find the Boobie
Yo strung out for some drinking
Finding my feet but still rappin' to the beat
And that's still pretty Dope I'm thinking*

*Now its true when I'm asleep
I might not make a Peep
But there might be Poop, there's a chance
There's too much SUB going on in this song.
Baby – I just wanted to dance*

*Oooh Did you hear that noise
Check out those 'slick' Moves
I'm a Pest till I finds the Breast
Bit of a Twit till I finds the a – Oh Oh*
