

Boyle 'em Up

Captain Festus McBoyle

*They're called the Cannibals, the Cannibals, those human eating
Cannibals*

*They'll cook you up and eat you to the bones.
Cabbages, the Cabbages, they'll cook you with the Cabbages
At least you dont get Boyle'd up all alone*

*Cause they'll dancing round those cooking pots
With spears up in the air
Funny looking Cannibals all dancing everywhere*

*Boyle 'em up
Boyle 'em up
Boyle 'em up for tea
Boyle 'em with those Cabbages and save a bit for me.*

*Cause they'll be nibbling on ya fingers and gnawing on ya toes
Sucking out your eyeballs and biting off ya nose.*

*Boyle 'em up
Boyle 'em up
Boyle 'em up for tea
Boyle 'em with those Cabbages and save a bit for me.*
