

Cat be Free

Captain Festus McBoyle

*Dead Cat in my backyard
Looks quite stiff and feels quite hard
Dont smell pretty, dont smell sweet
Dead Cat lying at my feet*

*Get my shovel dig a cat a grave
Sometimes little Cats cant be saved
Cat be dead but cat free
I buried that cat by the Kowhai tree*

*Hush little children dont say a word
This little Cat now fly like a bird
Hush little children dont you cry
This little Cat just learnt how to fly*

*Cat be Free
Cat be Free
Cat be Free
Down by the Kowhai Tree
Cat be Free*
