

Why Worry

John Sexton and Ralph Edwards

*Why worry, why worry
Worry gets you nowhere at all
Why worry, why worry
Worry gets you nowhere at all*

*When the sky is darkest
Don't despair
Just find that silver lining
Cos' you'll always find one there*

*So why worry, why worry
Everything may be ok.
Though you think that troubles are lying ahead
Just forget to worry count your blessings instead*

*So why worry, why worry
Worry gets you nowhere at all.*

*When the sky is darkest
Don't despair
Just find that silver lining
Cos' You'll always find one there*

*So why worry, why worry
Worry gets you nowhere at all*
